2012 Ph.D. Program

(Practically Half Done!)

Welcome to the 2012 Ph.D. Program! A fun way to complete your *Practically Half Done* projects that also allows you to earn an entry in our December 2012 drawing and increase your number of finished quilts and projects for our 2012 Show! You might even make room for some more new fabric since you will not have as many half done projects to store. As an added bonus, you will be free to brag to all your family and friends about the number of Ph.Ds. you have earned!

Here are the General Rules....

- Your 2012 Membership Dues (\$35) and this 2012 Ph.D. Program Form with fees must be completed in person or by mail by the January 2012 Meeting. (Mail to CHQ, PO Box 192, Flemington, NJ 08822)
- Pre-register up to ten (10) of your qualifying *Practically Half Done* projects by completing this form and paying a registration fee of \$1.00 for each project listed below.
- Projects qualify if they are of reasonable size (no potholders or pillowcases!) and will require a decent amount of time and effort to complete (not just the binding!). Be fair about it and have some fun!
- By showing your completed pre-registered project at a Show & Tell between January 2012 and December 2012, you can earn up to ten (10) Ph.Ds. and with each one, an entry in a special drawing at the December 2012 meeting.
