Courthouse Quilters

We are an 18 year old guild dedicated to the preservation of our quilting heritage through education. We have over 100 members from New Jersey and Pennsylvania. Our level of experience ranges from beginners to national contest winners. We are interested in quilt history as well as quilting techniques and design.

Monthly Meetings

Afternoon Workshops

We hold workshops with nationally known speakers as well as with our very talented guild members. We are fortunate to have guest speakers and members present the latest techniques of the quilting community. These workshops are offered at a nominal fee.

Evening Program

At our evening program we review the business of the guild. Members have access to a substantial lending library, enjoy delicious refreshments, and view members' works during the popular show and Tell. The speaker from the afternoon workshop completes the evening with an enjoyable and informative lecture, often accompanied by a trunk show of her work.

Quilt Challenges

We hold an annual challenge where a chosen theme determines the quilt's characteristics. The quilts are presented at a spring meeting in conjunction with the guild's anniversary.

Charity Quilts

We have an on-going project of constructing and distributing quilts to individuals and families in need.

Our outreach program is two-fold. Some quilts are donated directly to individuals or families. Other quilts are donated to provide fund raising opportunities for charities such as Hospice and The Women's Crisis Center.

Bi-Annual Quilt show

Our wonderful show is held the 1st weekend in October. At our 2004 show we hung over 200 quilts, which were viewed by more than 1200 people. This popular show includes quilting demonstrations, vendors, food, and an auction of miniature quilts.
